

# Continents and Oceans

## National Curriculum Objectives

Name and locate the world's 7 continents and 5 oceans. Use world maps, atlases and globes to identify the United Kingdom and its countries, as well as the countries, continents and oceans studied at this key stage.

## Key Words

atlas	Ocean	Africa	Australia
globe	Asia	Antarctica	Pacific
equator	North America	South America	Artic
Atlantic	Southern	Indian	worldwide

Objectives	Pupil	Teacher
What are the seven continents called?		
What are the five oceans called?		
What is the weather like in countries close to the equator?		
Can we locate/label oceans and continents on a map?
