

What do I know about

GEOGRAPHICAL ANALYSIS

Geography skills

National Curriculum Objective

Understand geographical similarities and differences through the study of human and physical geography of a region of the United Kingdom, a region in a European country, and a region within North or South America.

United Kingdom	Europe	region	North America	South America
economy	analysis	tourism	comparison	major cities
similarities	differences	human	physical	culture
trade	environmental regions	impact	cause	effect

Disciplinary – Geographer Words Substantive – Subject Knowledge Bigger Picture – Support words

Choose 5 words from the key vocabulary list and find the meaning in the dictionary.

Questions.	Student	Teacher
How can I recognise similarities and differences between a region of the United Kingdom, a region in a European country, and a region within North or South America?		
How does the economy of a country impact physical and human geography?		
How can I analyse the geographical aspects of a region and compare them to other regions in the world? (e.g. major cities, trade links, environmental regions)
