

What are optical illusions?

Art

National Curriculum Objective

- Pupils should be taught to develop their techniques, including their control and their use of materials, with creativity, experimentation and an increasing awareness of different kinds of art, craft and design.
- Pupils will create sketch books to record their observations and use them to review and revisit ideas.
- Pupils will improve their mastery of art and design techniques, including drawing, painting and sculpture with a range of materials.

Key Vocabulary

optical	colour	direction
illusion	repetition	vanishing point
spiral	structure	perspective
pattern	shape	image
3 dimensional	sketch	shades
