

National Curriculum

Pupils should extend their knowledge and understanding beyond the local area to include the United Kingdom and Europe, North and South America. This will include the location and characteristics of a range of the world's most significant human and physical features. They should develop their use of geographical knowledge, understanding and skills to enhance their locational and place knowledge.

Core Vocabulary			
continent	climate	weather	seasons
Equator	current	Gulf Stream	latitude
Europe	landlocked	biome	savanna
Mediterranean Sea	Mediterranean climate	temperate climate	rainforest
Atlantic Ocean	tropical	polar	tundra
Arctic Ocean	temperature	mild	oceans

Key: Disciplinary Substantive Bigger picture

Glossary of key words and their meaning

climate	
landlocked	
tropical	
polar	
temperate	

Learning Intent Questions	Pupil	Teacher
What do we know about the continent of Europe?		
Can we identify different climate zones?		
What can we learn about oceans and how they affect the climate?		
Do we know what makes a biome?		
What is a Mediterranean climate and where can we find it?		
Can we compare temperate climates with other climates?
