Holiday in a Waterfall Wonderland

As a year-round attraction, you will have abundant opportunities to view seasonal landscapes and to experience a walk in a waterfall wonderland, whatever the weather. Ingleton Waterfalls Trail is an ideal day out amongst unspoilt surroundings for family and friends, and an opportunity for educational visitors to explore nature and geological features including Thornton Force that falls 14 metres over limestone. With rare and interesting plants and wildlife and its importance as a geological site, much of the Ingleton Waterfalls Trail has been designated as a Site of Special Scientific Interest by Natural England.

The four and a half mile Ingleton Waterfalls Trail boasts some of the most spectacular waterfall and oak woodland scenery in the UK, truly encapsulating nature at its best.

THE TRAIL

WATERFALL

WONDERLAND

TAKE A WALK IN A

Ingleton Waterfalls Trail

www.ingletonwaterfallstrail.co.uk

- Toilets at Broadwood Car Park and half-way round at Beazley Farm

Children's Activity Challenge

- Do not leave valuables in your car
- No campfires or barbecues allowed
- No swimming in the river

Information

IN CASE OF AN EMERGENCY PLEASE CALL 999.

- **FOOTWEAR** – wear suitable strong footwear with good grip eg. Walking boots
- **CLOTHING** – Wear suitable warm clothing including waterproof coat and trousers.
- **DOGS** – Keep your dog under control, especially when crossing farmland and near livestock.
- **SIGNS** – read and follow all signs.
- **CHILDREN** – make sure children are properly supervised.
- **FOOTPATHS** – keep to the main footpath and take extra care at times of year when the paths may be slippery.

To ensure enjoyment of the Trail please follow our guidelines;

The Trail passes through areas that are dangerous if you leave the path. The path rises to 300m above sea level at the highest point and at times of inclement weather we recommend visitors have appropriate waterproof clothing.

Your Safety

This is a strenuous walk with a large number of steps along the full route, the trail follows a well defined footpath and is unsuitable for wheelchairs and pushchairs. Sections of the path are uneven and can be slippery at times.
